CHALLENGER BATTLES HARD. BUT DEFEATED BY CHAMPION

Eighth Meeting of Two, but. Everybody Appeared to Be Satisfied,

JERSEY CITY, N. J., Fob. 9.—Those two fast Irlends, Benny Leonard, lightweight champion of this planet, and Johnny Dundee, who covets said title, met again for the eighth time this evening at the Arena Athletic Club. A good time was had by all, but there was nothing decisive.

Benny won on points, after staggering Johnny in the fourth, fifth and sixth sessions of their eight-round act. Benny tried hard for a knockout in the seventh round. He tors into Dundee like a whirlwind. He unloosed has right, which caught the Italian scrapper right on the jaw and sent him staggering against the ropes.

But Johnny was game and refused to be put out. He came back after Leonard, and for the rest of the seventh and during the last round the light was furlous. [By Universal Service.]

CHARLES MURPHY FILES

Clubs of National League Named Defendants—Desires \$121,022 Damages. (By Associated Press.)

(By Associated Press.)

CHICAGO, Feb. 9.—Suits to restrain the National League from arranging or publishing a schedule for 1920 was filed in Circuit Court today by Charles Webb Murphy, one-time owner of the Gubs. Murphy, one-time owner of the Gubs. Murphy names all the clubs in the league as defendants.

Murphy charges the league magnates with breach of contract in connection with the lease given the Chicago club for Cubs' Park.

The lease, which was to run until 1992, was broken on August 1, 1916. Murphy says. He asks that the National League he restrained from arranging a schedule until his case for damages is settled.

The alleged breach of contract, Murphy's petition recites, was the outgrowth of the purchase of the Chicago club by the Federal League club under Charles Weeghman. Weeghman is named as one of the defendants. Others include Barney Dreyfus, Charles H. Stoneham, George Washington Girant, William L. Veeck and John Heygler, president of the National League.

Murphy asks \$121,922 from the Chi-cago club, including \$50,000 for breach

cago club, including \$50,000 for breach of covenant.

The suit cites the constitution of the National League, which states the purchaser of any club must assume the assets as well us the liabilities. One of the disbilities of the Chicago club when it was purchased by the Weeghman Federal League Syndicate was the ninety-nine years' lease on Musphy's park, the suit states.

"I filed the suit today because all the National League magnates are in town, and this was the best chance to get service." Murphy expisional. "I am asking that the court not only restrain the league from drafting a schodule to include games with the Chicago club, either at home or abroad. But that the other teams be restrained from playing with the Chicago team from playing with the Chicago team until this case is settled." Sheriff's deputies invaded the meet-ing of the National League magnates

this afternoon and served papers requiring them to appear in court February 25 and show cause why the injunction should not be granted. **NEW ORLEANS RESULTS**
